**Moving Services:** As further detailed herein, HC is seeking proposals from qualified and licensed entities to, as directed by HC and its representative, provide moving services for HC residents.

All of the moves will occur within the Fort Collins city limits. HC estimates that up to 300 moves will occur over a 2-3 year period, at a rate of 10-20 moves per month, on average. All moves will be from an apartment or single family home to an apartment. Apartment buildings range from one story to three-stories in height.

Each move will occur as detailed following:

1. At least 5 days prior to the needed move, HC will deliver a written notice (task order) to the contractor detailing (a) the unit address the resident currently resides in and the unit address that he/she is being moved to; (b) resident name; (c) size of unit; and, (d) the date the move shall occur.

2. The contractor and HC representative will agree upon a time to visit the applicable unit together. There shall be no additional charge from the contractor for this meeting or formulation of the task order estimate.

3. Any unordinary issues pertaining to the proposed move will be placed in writing by the contractor, addressed and resolved with HC representative.

4. The contractor will deliver to the resident or to Housing Catalyst’s representative all specific instructions to prepare for the move.
5. The contractor will inspect the premises and make note of the general condition of the resident's property and will make a specific written record of any damaged items.

6. The contractor will deliver to HC within 1 workday after the meeting a written detailed estimate pertaining to the move, including estimated hours for the various staff to be used, the rate per hours for each, and will acknowledge the specific date and time of the move.

7. The contractor shall transport the items in a safe and secure manner. The contractor shall be responsible to fully replace (or to pay to the resident the full replacement value of) any item that the contractor loses, destroys or damages.

8. HC and its representatives will cooperate with the contractor in coordinating the move with HC resident.

9. The contractor will provide all labor, equipment and materials necessary to complete the move as agreed upon.
